BAY OF URFFEE CITIZENS' ASSOCIATION

OUR ASSOCIATION

"ITS FUTURE"

The Association Year ends December 31st although the Constitution gives your Executive two months, within which to hold the Annual Meeting for the reading of reports and election of officers, it is felt the new body should be given all the time possible to make an outstanding success of the coming year, consequently, the Annual Meeting will be held January 9th, 1948.

The Future of the Association is therefore placed in Your hands, since it is Your nominations and subsequent votes that will decide who will guide the destiny of the Association during the year, an up-to-date list of members is contained in this Issue for Your reference. You are urged to nominate and vote on January 9th with one single thought and one purpose only - The Welfare of the Whole.

To be effective, the Association must represent the vast majority, therefore, put into Office the men and women, you believe, will carry the organization forward as a body united in the service of the Community.

The Annual Meeting is also the time and place for Amendments to the Constitution, such Amendments must be signed by at least five (5) members in good standing and submitted to the Executive on or before December 26th, 1947.

Since this is the last Issue of NEWS and VIEWS of the year, may I, personally and on behalf of the Executive, say a very sincere Thank You for your spontaneous co-operation and goodwill throughout the year, also wish each of you A VERY MERRY XMAS and ALL HAPPINESS and PROSPERITY during 1948.

Phil Holliday, Chairman.

THE MOVIE CLUB

"A Picture is Worth a Thousand Words"

Today in progressive schools and colleges a large part of the teaching is done by means of the Movie Projector. There are films available on every conceivable subject, with the sound track and technicolor improvements, this method is growing at an extraordinary rate.

Our Movie Club of course is operating on a very modest scale as we are primarily interested in the younger children of the community, our present plan is to bring these children together in pleasant surroundings, with capable attendants and securing the best possible programme to fit the occasion.

The Movie Committee feel that in this attempt we are only scratching the surface as we hope to develop this project and bring to the members of the Citizens' Association, films dealing with any suggested subject. However, our plans for the future must provide for the purchase of a Projector and Screen, whether we can get one donated or by Subscription to the Movie Club or by amortizing the plan over a period of time should be given serious thought.

The selection of material is very important and we plan to have a programme committee, to go into every conceivable source of supply so we shall have ample film to draw upon at all times. This should help further the Citizens' Association plan for making Baie d'Urfe the place you want to live in.

Peter Smith, Chairman.

THE RECORD

The regular monthly meeting was held on November 14th. The first meeting of the Home and School Association was considered a success. The Council is going to place signs, etc., on the roads to see what effect they will have on the speeding.

According to the By-Laws we are only required to pay 50¢ for chimney-sweeping, any further charge is the Town's responsibility. The Bell Telephone regrets further delays in material and lines. The C.P. Station lighting is progressing satisfactorily. The Hobo Hop was a financial success. A Christmas Party for the Children and a New Year's party were discussed. The Treasurer's report was read. Zoning is well underway. The School Affairs Committee reported that Taxation is to remain the same this year. The Bus route is still undecided.

The Catering Committee is doing a very good job. Mr. and Mrs. R.C. Vidler are going to attend the next Montreal Community Councils Meeting.

After the business, movies were shown, "Animals that serve Man", "Across Canada with T.C.A." and the "Music Festival in Winnipeg".

W.D. Laird, Secretary,
per P.H. Laird.

HOME & SCHOOL - On Friday, Nov. 24th, the Macdonald Home and School Association held its second meeting. The proposed constitution was read and amended. Mr. J.S.B. MacLeish, President of the Quebec Home and School Assoc., was then introduced and gave a most informative talk on the issues discussed at the Convention of Home and School Assocs. of Canada at Sackville, N.S., this summer. He then told of the present plans of the Quebec Home and School Assoc. and suggested some very helpful points to be studied by the Macdonald Home and School, such as health of the children, radio as an educative medium, parent education and community standards.

CENTRAL OR CONSOLIDATED - Property owners and tenants of Baie d'Urfe, Senneville, Ste. Annes and districts filled the Baie d'Urfe Town Hall on Tuesday, November 18th, to take part in discussions about the most important subject of the season.

It is generally known that Macdonald School has been operating at a loss for a period of years and the time has come when plans must be made to enlarge the school and defray the cost over surrounding communities.

On hand for this special meeting was Mr. E.S. Giles, Chief Inspector of Protestant Schools for the Province of Quebec and Mr. Ployart, Inspector of Superior Schools, to outline the various boards and to answer questions concerning their function.

It is felt that much was learned at this meeting and although no definite decision was arrived at due to the importance of the subject, the discussion will point the way for further steps. Mr. Allan expressed thanks to both Mr. Giles and Mr. Ployart, on behalf of those who attended the meeting.

Mr. R.C. Vidler.

HOBO-HOP - - 1947 VERSION

On the evening of November 1st there was held in the Town Hall a Hobo Hop, to which all hobos now residing in our fair community were cordially invited. After all and sundry were accounted for, it seems as though approximately 69 people were present in body and in spirit, having the time of their lives.

Spot dances, square dances, Paul Jones', community singing, peanut rolling and other types of entertainment were well organized by King Hobo, Bob McBride and M.C. Hobo, Sid Nagley, both aided and abetted by several of their hobo henchmen. Prizes were presented to the hobos most likely to succeed in their chosen profession, honours going to hobos Mrs. H. Smith and Sydney Creates. In an exclusive interview with the latter, your correspondent found out that the ripped, ripped shirt he wore was torn from the back of a genuine hobo riding the rods between Beaufort and Baie d'Urfe.

The King and his very able assistants are to be congratulated for the work they put forth to make this such a fine evening's entertainment. Sincere thanks are extended to chairman of the Hospitality Committee, Mrs. P. Holliday and all the other ladies for their time and effort in supplying all those grand refreshments to complete an evening well spent.

It is hoped that another of these very informal "get to know your neighbour" evenings will be in the offing in the not too distant future.

W.H. Parker.

FILM CLUB NEWS

The Baie d'Urfe Movie Club's second gathering on Oct. 25th, attracted an even larger audience than the first, totalling just under seventy (70) of which fifty-two (52) were children.

The 3rd meeting on Nov. 8th was not quite as well attended due to a heavy rain storm, however, thirty-nine (39) children were on hand, the total audience numbering a little over fifty (50).

Once again the pictures shown combined Comedies with Films of a greater educational value. Our old friend, Puddy the Pup, performed and Jack climbed the Bean Stalk, the Danse Macabre was appropriate for the Halloween season and a comic cartoon on how 'not' to fire a furnace.

Mrs. Parker kindly led the children in a sing-song, in which the boys outshone the girls. (How about it girls?) Thanks are due Mrs. Cape, Mrs. Parker & Messrs. Smith, DeWitt, Nagley, and Vidler for their interest and co-operation in this phase of the Association's activities. Mr. Robertson also deserves special mention for his courtesy and assistance in making the Movie Club's Meetings as successful and enjoyable as they undoubtedly are.

STE. ANNE'S COMMUNITY CONCERTS

On the evening of Oct. 30th the moonlit campus of Macdonald College was packed with parked cars. People streamed up the stairs and crowded the halls on their way to the concert hall. It was the first event of the newly organized Ste. Anne's Community Concerts and Anna Kaskas - Metropolitan Opera contralto - opened the series. Miss Kaskas altered her programme to include several French songs - a gracious gesture.

CHRISTMAS PARTY

Owing to the limited space in the Town Hall and the many Children expected we would appreciate Parents allowing their offspring to be called for by the Transportation Committee and taken to the Party. Children three (3) years and under may be accompanied by one (1) Parent. The Children will be returned home in good condition. Thank You.

On the evening of Oct. 28th, Mrs. Holliday, Convenor of the Hospitality Committee Citizens' Association entertained at a most delightful bridge, to raise money for the purchase of glasses to be used at community entertainments when refreshments are served.

Prize winners for the evening were, Mrs. Pennefather, Mr. Martin and Mr. Holliday. The bridge was most successful both financially and otherwise. Many thanks, Mrs. Holliday.
