THE YEAR AHEAD

Since re-election your Executive has created a few new standing Committees and named Chairmen to all Committees for the year. A complete list (in alphabetical order of Committee named) appears in this issue. Look them over, decide which Committee you are most interested in - and would like to work on, inform the Chairman who will be glad of your services - Pick where you like - but do pick. You will be doing us a service and you in turn will gain experience in Public Service and personal contacts.

There are opportunities for serious work on the Town Planning, Public Services, School Affairs and Fact Finding Committees, equally serious but of a different nature are the Membership, Recreation, Horticultural, Publicity and Programme Committees. News and Views requires contributors and reporters from each section of the Town. Since most of us like to eat and drink - there is plenty of room on the Hospitality Committee.

We, the Executive, will keep you posted on Municipal affairs (you can, of course, get this first hand by attending the Council Meeting, every first Tuesday in the month). We will take your requests and suggestions (approved by the General Meeting) to the appropriate authorities and will do our best to maintain the happy relationship which has, thus far, existed between ourselves and the various authorities.

My one hope and wish, at the moment is that as many as possible will continue to attend the Monthly Meetings and that you will take an active interest in the proceedings so that we may continue to emphasize that when we speak officially, we speak for the overwhelming majority of the Citizens, anything less would not be worthwhile.

Phil Holliday, Chairman.

THE RECORD

The first Annual Meeting on January 9th was highlighted by a reading of the annual report, by the Treasurer's report and by re-election of the Executive with exception of the Secretary.

Mr. F.A.M. Smythe, Chairman of the Nominating Committee stated that despite the urging people had been given to vote and although his committee had been in existence for over a month, no nominations had been received. Under the circumstances it was felt that everyone was completely satisfied with the present Executive. Therefore, it was moved by Mr. Vidler, seconded by Mr. Wilson that nominations close and the present Executive be re-elected to office.

Mr. Holliday on behalf of the other Members of the Executive and himself expressed deep appreciation for returning his Committee back to office. He further mentioned that for this coming year several additional committees had to be formed, such as the very important Town Planning Committee as well as the Fact Finding and Programme Committees.

Mr. Laird's resignation was accepted and your present Secretary voted into office. Mr. Laird explained to the meeting his very understandable reasons for resigning as Secretary. Following his remarks Mrs. Gray made a motion, seconded by Mr. Poe that a hearty vote of thanks be written into the records for the very excellent work he and his capable substitute, Mrs. Laird, had performed.

Four Amendments to the Constitution were carried. Discussion took place regarding disposition of a surplus left over from the Children's Christmas Party, with the result these funds will be set aside for the purpose of improving swimming facilities this summer. It was decided that the question of sanding the streets would be taken up with the Council at their next meeting. Pictures taken at the Xmas Party were brought out by Mr. Vidler and sold to those who wished to have copies for the sum of 35¢. Proposed sleigh drive and dance is lined up for the end of February, further information about this to be found on page three.

Bill Parker, Secretary.

FEBRUARY 13th - The next Monthly Meeting will be on Feb. 13th in the Town Hall at 8 P.M. sharp - To be followed by an interesting hour of Movies.

FACT FINDING COMMITTEE
WATERPROOF WHITEWASH

Inquiries have often been made as to the possibility of a waterproof whitewash for outside work that will not present a picture of drab desolation after a shower of rain. There is such a whitewash which is made in the following proportions: Slake 62 lbs. of quicklime in 12 gals. of hot water, then add 2 lbs. of salt and 1 lb. of sulphate of zinc previously dissolved in 2 gals. of water. To this add 2 gals. of skim-milk, and ounce of alum, though not essential would improve the wash. Salt should be omitted if the whitewash is required for metal surfaces which rust. This is good for all garden ornaments.

HORTICULTURAL HINT
CACTI FOR YOUR WINTER GARDEN

Are you looking for a Winter Hobby? Why not begin to acquire a collection of Cactus Plants, more than 50 different kinds can be obtained from Canadian growers alone and not at all expensive, they are easy to grow and with stand the hot dry air of our homes very well. You can also buy a packet of seed of mixed cacti varieties from any seedsman. To sow these take a shallow pot and fill to one third full of broken crock or stones then fill to within one half inch of the top of the pot with a mixture of sand, loam and peat. Press mixture down slightly, then soak the soil overnite. Sow the seed next day on the surface of the soil and cover lightly with fine stone or gravel. Place a pane of glass over the pot raised slightly on one side but remove this as soon as seed germinates. Set the pot in a moderately warm place out of full sun. You must be patient because although cacti seed germinate readily the young plants grow slowly and it will be sometime before they are large enough to transplant to separate two inch pots.

The third Community Concert saw another full house at Macdonald College, when Mr. John Tyers, Baritone, gave a very full programme of a wide variety of songs.

XXXXXXXXXXXXXXXXXX

The Macdonald Home and School Meeting and Social Evening took place on January 27th at 8:15. The programme being- Business in brief, Community Singing and Games in which everyone participated. There was a good turnout from all Municipalities. Refreshments were served, bringing a most successful evening to a close.
