THOUGHTS ON THE FUTURE OF THE ASSOCIATION

On Friday 11th February, a cheerful happy crowd of nearly 60 citizens wended their way home from the Town Hall after a very successful regular meeting. The programme was purposely planned by the committee in charge to be as informal as possible so that all members would get an opportunity to meet each other and welcome new members. All will agree that the plan was highly successful, and many have since expressed their pleasure at the success of the meeting. But what are the thoughts that come to our minds after such a meeting? Firstly, that meetings will get bigger and better, secondly that we have an urgent need of more chairs, a piano, and in time, more space. Obviously, we can have none of these without money. Could we not, therefore, draw up an approximate budget of what we need this year, and find the cost with voluntary contributions from all citizens? Perhaps a minimum of 50cents a month from each family would give the required amount. This could be paid in a lump sum for the whole year, or in any way convenient. Some members might feel moved to give a larger sum, feeling that this Association is definitely filling a need and giving a valuable service to the Town. It could be so arranged that only the Treasurer would know the amounts donated, so that we need not be embarrassed if our contribution is small. For two years now, many citizens have enabled us to provide a Christmas Party by their generosity. In the future this could be covered by the one fund, so that no further appeals would be needed. Let us consider what we may expect to pay out as a minimum from our family budget:

| | | |
|-----------------------------|--------|---------------|
| Say, Christmas Party | \$2.00 | |
| 4 money-raising parties | | |
| @ \$1.00 per couple | 4.00 | |
| Making cake for cooking | | |
| sale | .50 | |
| Buying back cakes from sale | 1.50 | <u>\$8.00</u> |

and there might easily be many more money raising activities which would increase the bill. Under a scheme of voluntary donations all recreation would be free to all members of the Association. Guests would be admitted at a small charge (sometimes guest fees cover the cost of such things as prizes). There would be not tickets to sell, no money to collect at parties thus making the work of the Recreation Committee much easier and doing away with the chances that some activities might not make enough money to be worth while. Provision would have to be made for the entertainment of older members, such as card parties, old time waltzes, etc. If we should attempt this scheme for this year it would be fully understood that any future executive would be free to guide the Association in their own way.

Heather Gray.

THE RECORD

The regular meeting took place on February 11th at the Town Hall. Dr. Cruickshank expressed his appreciation at being elected to the office of Chairman. Mr. Hartnell has kindly consented to do the lettering for the Honour Roll. Street lighting has been installed in College Green and on Lakeview Road. The Town Council will be approached regarding installation of additional lights on Lakeview Road. The Hospitality Committee's facilities have been improved by the purchase of tables. Gratitude is hereby expressed to Mr. Ware, Mr. Nagley and Mr. Christie for volunteering to remove the wash-basin and build a cupboard in its place. Mrs. Nagley stated that tea and cookies will be served at each regular meeting. Mrs. Allan introduced to the members Mr. & Mrs. Dorion, Mrs. Walters, Mrs. Richardson, Mr. & Mrs. Fielding, Mr. & Mrs. Evans, Mr. Griesbach, Mr. Crevier and Mrs. Burrige. It was decided that the Association would contact the Montreal Post Office for information regarding rural mail delivery and/or mail boxes. During the discussions it was suggested that two Auction sales might be held, also a Monte Carlo night. It was also suggested that Council meetings could be announced in the News & Views together with the names of members of the Council. The meeting adjourned at 9:20p.m. and was followed by a word Bingo game and refreshments.

Bill Parker, Secretary.

The next meeting of the Association will be held on Friday, March 11th. It will take the form of a panel discussion led by Mr. Alex Sim who is well qualified to do this. Mr. Bashford Brown and other well known gentlemen will be prepared to answer all our questions on Assessments and Insurance. As many of us are new property owners we are naturally ignorant of the proper duties of an assessor and the methods of placing a value on property. March 11th will give us an opportunity to find out all we want to know on this subject. As for Fire Insurance, this is of importance to all. Get your questions ready and have plenty of them. Refreshments will be served.

Talking of refreshments, here is an economical recipe for cookies suitable for Association meetings: CORNFLAKE DROPS - 4 tablespoons of shortening; $\frac{1}{2}$ teaspoon salt; 1 cup of brown sugar; 1 egg; 1 cup of flour; 1 teaspoon of almond extract. Cream shortening and sugar; add beaten egg and flavouring; mix well. Add dry ingredients; form into small balls onto cookie sheet; press lightly with fork. Bake in hot oven (425°). This makes about 60 small cookies. *add 2 cups cornflakes 1 teaspoon baking powder*

HOSPITALITY COMMITTEE: Mrs. Peter Smith, Mrs. Hanson, Mrs. Gray are to be thanked for their delicious cookies which were so thoroughly enjoyed at our last meeting, not forgetting Mr. Wilson who supplied good old Salada, and the willing hands that helped behind the counter and stayed till the last cup was put away.

Miriam Nagley.

We will publish one cookie recipe each month providing it is an economical one, and if space is available. So send in your favourite recipes.

AUCTION SALE: The Association is planning an Auction Sale for early in May. This advance notice will give you plenty of time to collect up the things you want to sell. The Association keeps a small percentage of the selling price, the balance goes to you.

BIRTHDAY PARTY: Friday, April 22nd, or Saturday, April 23rd, has been suggested for the Birthday Party. Be prepared to decide the date at the next meeting. Full details of Birthday Party and Auction Sale will be announced in next issue of News and Views. Meanwhile, here are the names of the Programme Committee: Anne Hanson, Floyd Griesbach, Ernie DeWitt, and Peter Smith, Chairman.

HORTICULTURE: Plans for 1949 Horticulture Show are already being made. In order that everyone may have an opportunity of including in their garden the types of flowers and vegetables for which entries are open, a tentative list of exhibit classes has been prepared and will be posted in the near future at the Town Hall. A copy is also enclosed in this issue of News and Views. The number of classes has been increased from last year. The committee plans a much larger exhibition. Any class of flower or vegetable not shown on this tentative list will be included if sufficient interest is evidenced, but suggestions must be submitted to a committee member in the near future. The committee consists of the following persons: Chairman - Elizabeth Brown; Vice-Chairman - Vivian Smith; Ella Holliday; Roy Cape; Kenneth Brown; F.A. Mervyn Smythe; and as Secretary, James Brown.

***** Elizabeth Brown.
